KIRKWOOD HOME CONSTRUCTION

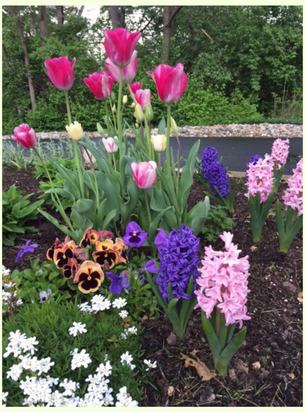
Tomorrow is the first day of spring!

It's time to spend more time in your OUTDOOR LIVING AREAS and we can help you create the space you've been dreaming about.

We have been hard at work cleaning up leaves, cutting back perennials, planting seeds, fertilizing and mulching for the spring season.
We are ready to bring your GARDEN to life!

We are getting our first load of cool season FLOWERS at the end of the month!!
Easter pots are always exciting after a long winter and we look forward to dressing up yours for the holiday!

Mother Nature is getting ready to put on quite a display!



Here is a sweet little bathroom we recently remodeled!
Our CONSTRUCTION crew added a new window, installed new flooring, toilet and sink. They also rewired the electric and reframed the entry.

With spring, comes heavy rains. Let us know if you STORM WATER MANAGEMENT help.
Call to schedule your consultation today!

We are a unique 3 function company that can handle everything for your home!
