NEWS FROM THE GARDEN...

It's always fun when local businesses support one another, especially during times such as these.
Thank you to **Pioneer Bakery Cafe** for inviting us to embellish their entrance, **Rusted Chandelier** for providing the gorgeous bows and Summit Farms for the amazing pumpkins!

It's that time of the year when the crisp air and warm autumn colors make being in the garden even more enjoyable!
Mother Nature knows how to excite us!

Nothing says welcome home better than a warm front porch greeting!
Thanks to **Story Seven** for the stunning wreath and lanterns!

We couldn't be more pleased with this custom pergola our construction team built. It sure makes this sunny patio our landscapers installed more inviting during the summer months and we can't wait to see how the gardens shape up surrounding it!
This client has taken advantage of all three divisions of our company
