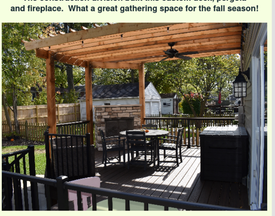
KIRKWOOD HOME & LANDSCAPE | KIRKWOOD HOME CONSTRUCTION

Wishing you a wonderful Thanksgiving!
We'd like to extend a sincere thank you for your valued business.
We couldn't do it without you!

We've enjoyed creating a welcoming garden to greet your family and friends!
The crisp air and warm autumn colors make being in the garden even more enjoyable.

We are heading into bulb planting season, so don't be surprised if you see us out planting soon!

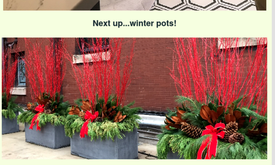
The construction division built this custom deck, pergola and fireplace. What a great gathering space for the fall season!



This Central West End 100 year old home was due for a kitchen renovation. We gave it a new open floor plan just in time for their growing family's new arrival!

Designer, Julie Baum had a great vision when she designed this bathroom, complete with heated floors. What a treat that is going to be during the cool months!

Next up...winter pots!



Thank you for your business, your trust and your confidence. It is our pleasure to work with you!

We appreciate your business,
The team at Kirkwood Home & Landscape and Julie's Garden Design
