It's been a flurry of activity over here!

We have planted thousands of bulbs the last couple of weeks and look forward to seeing them burst to life! I can't think of a better way to usher in spring than with a bright pop of color from tulips!

The landscaping team has been bringing our landscape designs to life! This whole fenceline used to be a wall of honeysuckle. Now the homeowner has evergreens and trees and shrubs to provide all seasons of interest!

Next up are Christmas pots!
We will begin refreshing your pots for the holidays the week after Thanksgiving. If you have saved any embellishments from last year that you would like us to use again, please place them near the pots.

We have a lot to be thankful for, and our clients are at the top of the list!
We thank you and wish you a very Happy Thanksgiving!

We appreciate your business,
The team at Kirkwood Home & Landscape and Julie's Garden Design
