Kirkwood Home & Landscape and Julie's Garden Design Newsletter

Time to do a little spring cleaning!

Our team is growing!
You will see some familiar faces, as well as some new this year.
We will begin spring cleanup and mulching next week and look forward to introducing you!

If you are suffering from the winter doldrums, sit tight.
It won't be long before the true harbingers of spring start to flower!

It seems early to plant seed directly into the ground, but not for larkspur.
This flower is a real treat and we will be scattering these beauties everywhere!

By this time of the year, we are craving spring blossoms!
We are ready to celebrate the sights and sounds of the upcoming season with you!

We appreciate your business!

We are a unique 3 function company that can handle everything for your home!
