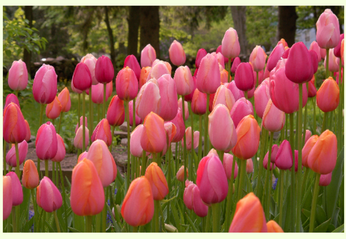
KIRKWOOD HOME & LANDSCAPE
Julie's Garden Design

Happy Thanksgiving!

We planted over 12,000 bulbs around town last week and look forward to seeing them burst to life! I can't think of a better way to usher in spring than with a bright pop of color from tulips!



The hardscape team installed a neat herringbone paver patio at our shop. This display area has a little bit of everything, including a native garden, stone wall, patio with built in benches and a pergola in the works. Stop by for a visit, we would love to see you!

Our construction division transformed this garage into a family room, office and full bath. They built a laundry room addition and added a custom wood ceiling on the back porch.

BEFORE

AFTER

We will begin refreshing seasonal pots next week!
It looks like the temperatures are dropping just in time to get us in the holiday spirit!

We have a lot to be thankful for, and our clients are at the top of the list!
We thank you and wish you a very Happy Thanksgiving!

We appreciate your business!

We are a unique 3 function company that can handle everything for your home!
