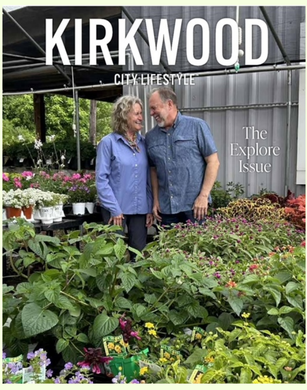
KIRKWOOD HOME & LANDSCAPE
Julie's Garden Design

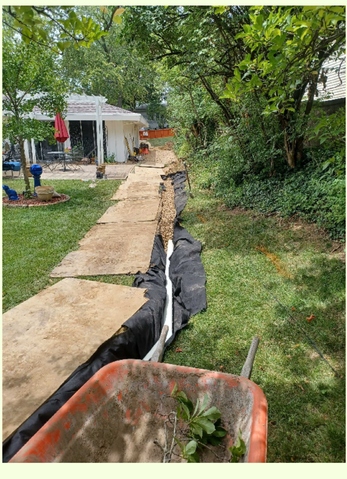
Happy Independence Day!!

We made the cover!
Thank you to Kirkwood City Lifestyle for featuring our sweet little business. We so appreciate it!



Our construction team just finished the nicest little laundry room, complete with darling wallpaper! Who wouldn't want to do laundry in this pretty space?!

This picture isn't pretty, but our hardscape team takes pride in keeping things tidy while doing the dirty work! We laid plywood to safely drive equipment over the lawn without damaging it. This french drain is going to make all the difference to control water runoff.



We hope you enjoy the long holiday weekend strolling through the garden with family and friends!

We appreciate your business!

We are a unique 3 function company that can handle everything for your home!
