Kirkwood Home & Garden and Julie's Garden Design Newsletter

KIRKWOOD HOME & LANDSCAPE

Julie's Garden Design

Hello Fall! As the air turns crisp and the days grow shorter, we're excited to welcome a new season full of rich colors and fresh inspiration!

We build walls that are beautiful and improve the functionality of your property! These clients gained more driveway and patio space with this curved retaining wall.

The right materials make a big difference! This front porch retained it's historical charm while getting an upgrade with maintenance-free composite decking.

The Kirkwood Greentree Festival is this weekend, Sept. 12–14 at Kirkwood Park!

We're proud to sponsor this community tradition. When Bob isn't leading our remodeling + hardscape divisions, you'll find him rocking his other passion as longtime Head of Entertainment.

Join us for music, fun, and community spirit!

We appreciate your business!

We are a unique 3 function company that can handle everything for your home!
